

**TO COMMUNITY**

### **Extra-Diocesan Opportunities**

Of course, there are lots of other opportunities for young people that are provided by groups outside the Diocese, you might like to look at the resources and work done by these agencies:

#### **SVP B-Attitude programme**

Pope Francis has spoken often about the need to accompany young people on their faith journey and we believe that this resource is ideal for parishes and schools to work with groups of young people and help them to become “the now of God”.

The programme allows young people to meet regularly, to reflect on their faith, learn about Catholic Social Teaching and to serve those in their locality who are in need.

To support this we have developed an online resource which can be viewed at <http://svp-b-attitudelife.online/login/index.php>.

If you would like to find out more about this resource please get in touch.

**CAFOD: Be Revolutionary**

At World Youth Day in Rio, 2013, Pope Francis challenged young people to “be revolutionaries” and to “not be afraid to ...bring Christ into every area of life, to the fringes of society”.

Pope Francis teaches that “there is an inseparable bond between our faith and the poor”. We believe that an understanding of faith in the context of the Church as a global family is essential. We feel that understanding the lives of our sisters and brothers around the world who live in poverty, and being inspired by them, nourishes our faith and our lives.

In this Confirmation resource we hope to provide an adaptable set of activities that you can integrate into your own Confirmation programme. The aims of the activities are to enable your Confirmation candidates to explore the concept of justice and feel part of the global Church.
