Final Meeting

No matter if you choose to have no meetings/sessions or lots of local preparation you will have to have the final meeting at which the service of Confirmation is discussed and explained to the young people and their parents.

The bulk of the preparation will have already been done but this final session will be the responsibility of local clergy and catechists to plan the Confirmation liturgy and liaise with the Bishop.

Some time, either here or earlier in the process, will have to be dedicated to thinking about sponsors and Confirmation name.
